

VISION

Queen Elizabeth College will be a learning community of excellence and innovation.

GOALS

1. Our curriculum will:
 - Raise and sustain academic achievement (inclusive of Maori and Pacific Island students).
 - Engage and challenge students.
 - Support and empower students to achieve personal excellence.
 - Recognise and affirm and respond to individual students' identity and learning needs.
 - Develop creative, adaptable and resilient learners.
 - Acknowledge and promote forward thinking.
2. To provide a learning environment which acknowledges and reflects Te Tiriti o Waitangi, the cultural partnership of Aotearoa New Zealand and New Zealand's cultural diversity.
3. To engage with and recognise the importance of support from the College's community.
4. To encourage and promote life-long learning.
5. To raise positive, public awareness of the opportunities available through the College.

MISSION STATEMENT

Queen Elizabeth College will provide innovative learning opportunities that promote excellence.

VALUES

Excellence

To be the best.

Environment

Respecting and valuing our surroundings and their effect on us.

Honesty and Integrity

Being truthful to yourself and others: trustworthy, sincere and open in relationships.

Community Participation

Growing together and learning from each other.

Respect for Self and Others

Valuing and being considerate of others and self.

Creativity, Innovation and Curiosity

Eagerness to know and learn. To be challenged to develop new ideas, ways of thinking and doing.

Diversity

Acknowledging similarities and respecting difference.
